ちばとぴ

Matsudo Honcho

To accept the artist certain period of time, in and get urban development planning and creating works that's Subjects Matsudo during their stay, two foreign artists are coming to Japan. Stay in about two months from mid-December last year until mid-February this year, will announce each post card with video works and audio to schedule late.

Voluntary organization "Matsudo Machizukuri conference" is planning responsible for the operation to be configured in such town council around Matsudo Station. There were 65 countries 253 sets of applicants showed that public offering artists with the aim of regional activation by Art. Result of selection, I have decided to US filmmaker Matt Sheridan's (44) and the Polish contemporary artist Alexandra Vu~awasheku's (27).
